

EURES: Fair Work Anywhere in Europe

Free movement of workers is one of the four freedoms enjoyed by EU citizens.

This includes:

- the rights of movement and residence for workers
- the rights of entry and residence for family members
- the right to work in another Member State
- the right to be treated on an equal footing with nationals of that Member State.

The EU supports your right of free movement by offering services through the EURES network.

EURES is a European cooperation network of employment services. It covers all European Union countries as well as Iceland, Liechtenstein, Norway and Switzerland. EURES staff supports and consults you regarding finding a job, living, working and hiring EU-wide and in cross-border regions.

Besides PES, other employment services and organisations providing services to jobseekers and employers can also participate either as EURES Members or as EURES Partners. It depends of the kind of services they offer.
